

Advent

MOMENTS

Travelling the well-lit path, guided by the stars

As we walk the well-lit path to the manger in Bethlehem, we walk under night skies resplendent with stars, tiny lights in a canopy of blessings. Stars which remind us of our place in God's unfolding universe, stars which give direction, starlight which has shone on men and women for aeons past, stars which share our DNA.

May we be in this world a ray of that light which shone forth from Bethlehem, bringing joy and peace to the hearts of all men and women.

– Pope Francis

2 How can you be a light of joy and peace this Advent and Christmas?

May the Star of Devotion glisten in your work and in the care you offer others. May the Star of Peace be a ray of steadfast calmness and tranquillity within you.
